

Global Leader in Seismic Equipment Rental and Support Solutions Announces New General Manager, Parts Sales – Houston, Texas

Houston, TX (February 29, 2012) -- Seismic Equipment Solutions (SES) today announced that Daniel A. Pulido joined the company as General Manager, Parts Sales for its Houston Corporate Office. Daniel comes to SES with an extensive track record of rapid promotions to key positions in Sales, Finance, Consulting and Marketing.

Prior to joining SES, Daniel held various roles in leadership positions in management and sales in the financial planning space. "Daniel's formal business training, in depth leadership roles, an entrepreneur and consultant in the Energy Industry and language skills (Spanish and English) will be a huge asset to SES and its customers," said Perry Johannson, Senior Vice President of Sales and Marketing, Seismic Equipment Solutions. Daniel has a proven track record of sales strategy, planning and execution abilities of the highest caliber.

Daniel holds a Bachelors Degree from the University of St. Thomas, where he studied at the Center of International Studies, and concentrated on Global Energy.

About Seismic Equipment Solutions

With headquarters in Houston, Texas, offices in Bogotá, Colombia and London, and representatives in Moscow, Calgary and Jakarta, SES is a global leader in seismic equipment rentals and support.
