

**The Global Leader in Seismic Equipment Rental and Support Solutions Announces the Promotion of Travis Barker to President/Chief Operating Officer (COO) – Houston, Texas**

**Houston, TX (May 11, 2012)** -- Seismic Equipment Solutions (SES) today announced the promotion of Travis Barker to President and Chief Operating Officer of the company. Mr. Barker will report directly to Glen Huscroft, Chief Executive Officer.

Mr. Huscroft stated, "I am pleased to promote Travis Barker to the newly created position of President and Chief Operating Officer of SES. He has been a terrific leader in our organization for the past 5 years and will help us integrate and expand our new product offerings and Foreign Service centers. As President and COO, Travis will be responsible for the day to day functioning of the company, and delivering customer solutions. This will allow me to focus on long term strategies and strategic partnerships." He added, "I am extremely confident in Travis's abilities, track record and wealth of field experience. He will drive continued success at SES."

"SES is moving through a very intense growth period, in a rapidly changing marketplace," noted Mr. Barker. "Having the opportunity to lead the organization and contribute energy towards SES's strategic objectives in this global market is very exciting."

**About Seismic Equipment Solutions**

With headquarters in Houston, Texas, offices in Bogotá, Colombia and London, and representatives in Moscow, Calgary and Jakarta, SES is a global leader in seismic equipment rentals and support. SES provides exceptionally maintained lease equipment, world-class field support, training, equipment repairs and parts sales worldwide.
