

SES Announces the Appointment of Travis Barker to the Position of Chief Executive Officer (CEO)

Houston, TX (Feb 7th, 2014) – Seismic Equipment Solutions (SES) is pleased to announce that Travis Barker has been appointed to the position of Chief Executive Officer.

Mr. Barker joined the company in 2007 as Sr. Vice President of Operations and most recently held the role of President and COO.

Mr. Barker has over 25 years experience working in the Seismic industry with both CGGVeritas and WesternGeco.

We congratulate Travis on assuming his new role as CEO and look forward to his leadership as SES enters a new phase in its evolution and continues to grow and expand its business globally, stated Michael Miller, Managing Director, Perseus LLC.

About Seismic Equipment Solutions

With headquarters in Houston, Texas, offices in Colombia, Canada and representatives in London, Moscow and Jakarta, SES provides exceptionally maintained lease equipment, world-class field support, training, equipment repairs and parts sales worldwide.

The most technologically advance lease pool and support services in the industry.
