

## **SES Announces the Appointment of Ray Mays to the Position of VP Sales and Marketing – Western Hemisphere Land**

Houston, TX (March 2, 2015) – Seismic Equipment Solutions (SES) is pleased to announce that Ray Mays has been appointed to the position of Vice President Sales and Marketing – Western Hemisphere Land.

Mr. Mays joined the company in 2013 as Vice President Sales and Marketing – North America Land.

Mr. Mays has over 30 years experience working in the seismic industry with Mobil Oil (now ExxonMobil), Halliburton, Veritas DGC, Inc. / CGG Veritas and Global Geophysical Services. “We congratulate Ray on assuming his new role and we look forward to his leadership as SES continues to grow and expand its business globally,” stated Travis Barker, CEO, Seismic Equipment Solutions.

### **About Seismic Equipment Solutions**

With headquarters in Houston, Texas, offices in Colombia, Canada and representatives in London, Moscow, Singapore and Jakarta, SES provides exceptionally maintained lease equipment, world-class field support, training, equipment repairs and parts sales worldwide.

The most technologically advance lease pool and support services in the industry.
