

## **FOR IMMEDIATE RELEASE**

### **Barker Brings Strong Seismic Industry Experience**

Houston, TX (June, 2007) -- Travis Barker, VP of Operations, joined SES in June 2007, with over 20 years of Exploration Industry experience. Barker began his seismic career upon graduating from DeVry University in 1986. He most recently served as QHSE Manager for the Western Hemisphere at CGGVeritas where he focused on behavioral safety, loss control and risk management. During his 10 years at CGGVeritas, he held various roles such Regional Manager for Latin America. Prior to joining CGGVeritas, he spent 10 years with Western Geophysical as a Field Service Engineer. Travis has spent the majority of his seismic career in Latin America and lived in Argentina and Bolivia for several years. Travis has many years experience working on seismic crews and has a strong understanding of the seismic business.
